Dear Jemal Antidze,

Thank you for your application to join SAI Intelligent Systems Conference 2015 (IntelliSys 2015). Your profile has been successfully created and you have been automatically enrolled as a member at The Science and Information Organization.

The Science and Information Organization members have access to an array of resources to help their research become more efficient and effective. Our members have myriad opportunities for networking, whether it is a small, targeted forum to discuss issues specific to your research or large conferences to connect with others in the channel.

Your profile is currently under review and you will soon receive a decision regarding your application. If you would like to update your profile now or later, you may login at the following link and edit your profile, <http://thesai.org/Account/LogOn>

Your Login ID: Jemal_Antidze

Your Password: welcometosai

Please feel free to write back to us in case of any further queries or discussions. Check out the Conference Facebook Page at <http://www.facebook.com/SAIConference>

Best,

Conference Manager
