

Invitation Letter

Dear Dr. Jemal Antidze,

On behalf of the Organizing Committee, we are cordially inviting you to join in the **Theme 2-5: Digital Manufacturing** at the upcoming **3rd Annual World Congress of InfoTech-2014 (InfoTech-2014)**, which will be held during **June 19-21, 2014, Dalian, China**. Your prompt reply with a speech proposal will be highly appreciated!

InfoTech-2014 aims to strengthen the technical and business ties in cloud computing industries, to bring together experts and industry leaders to share technological advancements and business experiences, and to jointly explore opportunities in emerging cloud computing. This congress provides an ideal platform for industrial practitioners and academia to keep up to date with current technology trends, interact with industry experts and network with peers.

InfoTech-2014 collaborates with China International Software and Information Service Fair 2014 (CISIS-2014, which is the Largest and Most Effective Event in the World) and plans to shoot for 500+ oral presentations from experts, senior scientists, industry executives and project leaders from 50+ countries in Innovation Driven Digital Economy Forum, Frontier Technologies Forum, as well as six Satellite Meetings about Smart City, CloudCon, Cultural & Creative IT Industries, U-World, U-Home and IT Outsourcing. In addition, more and more innovative events such as IT/ICT Business Matchmaking and Career Fair, IT Certificate Training Courses and Workshops, and China 12th Year Plan IT /ICT Leadership Summit will be held in the same time!

On top of the exciting program, you will also have an opportunity to discover Dalian during a beautiful time of year as June is the most colorful month of all. Dalian, as one of the most beautiful coastal cities in China, has successfully hosted annual Summer World Economy Forum- Davos twice in 2007 and 2009 correspondingly, which have generated great impact on the development of New Chinese economy model and beyond. And its IT outsourcing service industry is the top one in China! We hope you not miss this historical initiation and actively join us with your great passion and contributions!

For more information regarding InfoTech-2014, please visit our conference website at <http://www.bitconferences.com/infotech2014/default.asp>.

We look forward to your active support and participation.
