Subject: Senior Membership Invitation- Emirates Association of Computer, Electrical & Electronics Engineers

Dear Prof. Dr.
Greetings!!!

We got your reference from the Internet and we like to include you in the Reviewer/Scientific Committee of **Emirates Association of Computer, Electrical & Electronics Engineers (EACEEE)**. The website of organization is <http://eaceee.org/>
The membership is FREE of charge and we invite you to act as **Senior Member** of **Emirates Association of Computer, Electrical & Electronics Engineers (EACEEE)**.
If you agree, then please fill up the attached membership form and email at ed@eaceee.org

Kindly note:

- ❖ Please email the form as .doc/.docx file (without signature) & jpg/pdf file with your signatures
- ❖ Please attach your photograph as attachment with the email
- ❖ If you do not like to accept the invitation then please email us so that we will delete your name from the committee

The details are as under:

EACEEE stands for Emirates Association of Computer, Electrical & Electronics Engineers that is dedicated to the research in Computer, Information Technology, Electrical & Electronics Engineering. EACEEE is registered

society to promote research and it also organizes conferences as well as workshops. We welcome professors, Researchers and professional from Industry who want to join us or contribute. EACEEE is associated with Emirates Research Publishing.

The basic Aims & Objectives of EACEEE are to bring together Researchers, Scientists, Engineers, Scholars and Students in the areas of Computer, Electrical & Electronics Engineering, and provides a forum for the dissemination of original research results, new ideas, Research and development, practical experiments, which concentrate on both theory and practices, for the benefit of human-being. In addition to that it also tries to promote scientific and educational activities towards the advancement of the theory and practice of related fields for the service of mankind and the advancement of general welfare. It also Cooperate with researchers and institutions of higher learning in any part of the country having objectives similar to those of the society

Best regards

Ms. Priscilla Ismail

EACEEE-Coordinator
