Subject: Limited Speech Opportunities at the 1st World Congress of Robotics 2015, China

Dear Jemal Antidze,

This is Ada Fu, the program coordinator of BIT's 1st World Congress of Robotics 2015 (WCR-2015). On behalf of the organizing committee, we sent you an Invitation Letter several days ago. In case of missing this great opportunity, I am writing again to extend our sincere invitation. Your earliest reply would be appreciated. **Since we get fund from local government this year, the Organizing Committee confirmed that we will cover your full registration fee and if you have any proposed project which be accepted by our matchmaking project Sector, we will cover two days 5-star hotel accommodation for you as well. Because the seats are limited, it will be better if you could reply me in one week and get the support, The deadline for registration is 15 July.**

With the theme of Smart Manufacturing, Smart Future, BIT's 1st World Congress of Robotics 2015 will be held in Shenyang, China during August 31-September 2, 2015. Due to your contributions to the fields of robotics, we sincerely wish you would be able to make it this year after your consideration. , I am cordially inviting you to participate in BIT's 1st World Congress of Robotics 2015 (WCR-2015) as a *Speaker* .

BIT's 1st World Congress of Robotics 2015 (WCR-2015) aims to strengthen the technical and business ties in robotic industries, and provide a stimulating platform for researchers, scientists, engineers and practitioners to present their latest research findings, ideas, developments and applications in all aspects of robotics. After months' preparation by the organizing committee, we are proposing the ambitious and unique program which will feature topics of The Frontier of Robot, Artificial Intelligence in Robots, Robots System and Security, Applications of Industrial Robots etc. Moreover, there will be various challenged Robot Technology Matchmaking Fair and Robotics Exhibition, as well as the Social Events, which we will make it unforgettable and impressed.
