

## Plenary Speaker & Technical Program Chairs Invitation

Dear Prof. Jemal Antidze, Tbilisi State University, Georgia

Greetings from Ms. Sophie Tsang, and the program coordinator of ICSTE 2016.

With the theme of Artificial Intelligence, Component-Based Software Engineering, Requirements Engineering, Telecommunications and Modeling with UML etc., 2016 8th International Conference on Software Technology and Engineering (ICSTE 2016, [www.icste.org](http://www.icste.org)) will be held during **September 26-28, 2016**, in **Larissa, Greece**, together with its workshop [ICMCT 2016](#).

Owing to your expertise and achievement, you are one of the very few selected nomination list of Conference Committee Members, I would be sincerely inviting you to give a **Plenary Speech** at the conferences and serve as one of the **Technical Program Chair** in ICSTE 2016. We sincerely wish you would be able to make it this year after your consideration.

For your participants in ICSTE 2016, Conference Committee will provide the supports for your trip to the conference as following:

- 1) 2 days free accommodation during the conference;
- 2) Free access to ICSTE 2016;
- 3) Souvenirs, coffee breaks, lunch and/or Dinner on conference dates;
- 4) Chairman Certificate, Conference Book/Proceedings, and other materials.

If you are able to attend, please kindly send your speech topic and abstract at your earliest convenience. Thank you in advance.

Best regards and good wishes.

**Ms. Sophie Tsang**

**Program coordinator of ICSTE 2016**
